Stunning urban space with heritage charm

FOR THE MODERN ROMANTIC

Built in 1902, Julio's lovingly restored heritage-listed building is the former residence of the Walsh family, Perth's original menswear moguls. Featuring stunning exposed brickwork and timber beams, the space provides timeless style – contemporary, with a touch of old world glamour.

We pride ourselves in being a flexible venue, providing a range of options to help bring your unique vision to life. Whether you're looking for an intimate and cosy dinner by the fireplace, a grazing table on the terrace, or casual canapes on the balcony, we can tailor a package to your needs.

Julio's can accommodate wedding receptions for 10 to 120 guests, seven days a week. Conveniently located at Sage Hotel in West Perth, we can also provide accommodation packages for your guests.

This guide provides an overview of our function packages. To discuss how we can create your perfect event at Julio's, please contact our Functions Coordinator on (08) 6500 9111 or email functions.perth@sage-hotels.com.
